Product name	OLED Scrren Standalone Access Controll Keypad
Product number	EA-82DK (black and white optional)
Operating Voltage	DC12V ± DC3V
Power consumption	<2W
Card Type	125KHZ ID
Reading distance	60mm
Store records	10000
registered user	10000
communication method	RS485
Transmission rate	9600bps (N, 8,1)
Storage memory	4MbitsFLASHMemory
Dimensions	96L * 96W * 22H (mm)
Housing Material	PC
Operating temperature	-30 ℃ ~ + 65 ℃
Open the door	Card / card + password / UID + password / common password

Rfid door access control system included keypad access controller panel,card reader,power supply,
rfid card,converter.This access management rfid door access with the access control and time attendance function.

1.Unique design, the shell is frosted, feel comfortable; OLED display with a screen, not reflective in bright light
and with a perpetual calendar.
