

The image features three white, rectangular, outdoor-rated alarm devices. Each device has a series of horizontal ventilation slats on its upper half and a colored light bar on its lower half. The leftmost device has an orange light bar, the middle one has a red light bar, and the rightmost one has a blue light bar. They are arranged in a slightly overlapping, fan-like pattern. The background is a deep blue, featuring a stylized city skyline at the bottom and a network of glowing white lines with dots at their ends, resembling a fiber-optic or data network, radiating upwards. In the top left corner, the word "New" is written in a large, bold, white sans-serif font. Below it, in a smaller white font, is the text "Access control & Alarm product supplier". In the top right corner, the logo "SMQT" is displayed in a bold, red, serif font.
