Trade terms:	EXW
Payment terms:	T/T, Western union, Paypal etc
Delivery time:	Normal order within 7 days, bulk order 10-15days
Packing:	Neutral paper box and paper carton
Shipping:	Express company or by sea, by air or appointed by buyer

1. Introduction

The purpose of this document is to provide a comprehensive overview of the project's objectives, scope, and timeline.

2. Objectives

The primary objectives of this project are to develop a robust system that can handle up to 10-15 concurrent users.

3. Scope

The scope of the project includes the design, development, and testing of the system.

4. Timeline

The project is scheduled to be completed within a timeline of 7-15 weeks.

5. Conclusion

This document serves as a guide for the project team, outlining the key goals and milestones. It is essential to adhere to the timeline and scope to ensure the successful completion of the project.
