

## Plastic magnetic contact switch sensor para sa alarma at access control system

### EB-133'S MAIN PARAMETER

|                              |                                                                                          |
|------------------------------|------------------------------------------------------------------------------------------|
| <b>Pangalan ng Produkto:</b> | Plastic magnetic contact switch sensor para sa alarma at access control system           |
| <b>Numero ng modelo:</b>     | EB-133                                                                                   |
| <b>Paggawa boltahe:</b>      | Max DC 100                                                                               |
| <b>Kasalukuyang Paggawa:</b> | Max 0.5A                                                                                 |
| <b>Konsumo sa enerhiya:</b>  | 10W                                                                                      |
| <b>Port ng interface:</b>    | NC / COM                                                                                 |
| <b>Induction gap:</b>        | 20 ~ 30mm                                                                                |
| <b>Laki:</b>                 | Reed bahagi: 27 * 14 * 8 (mm)<br>Magnet bahagi: 27 * 14 * 8 (mm)                         |
| <b>Angkop para sa:</b>       | <b>Lahat ng uri ng sistema ng pag-access ng pinto at sistema ng alarma ng magnanakaw</b> |
| <b>Material:</b>             | ABS pabahay + PCB board + Reed switch                                                    |
| <b>Kulay ng pabahay:</b>     | Puti / Brown (opsyonal)                                                                  |
| <b>Timbang:</b>              | Unit: 12g<br>20 pares bawat bag, bawat bag timbang 230g                                  |

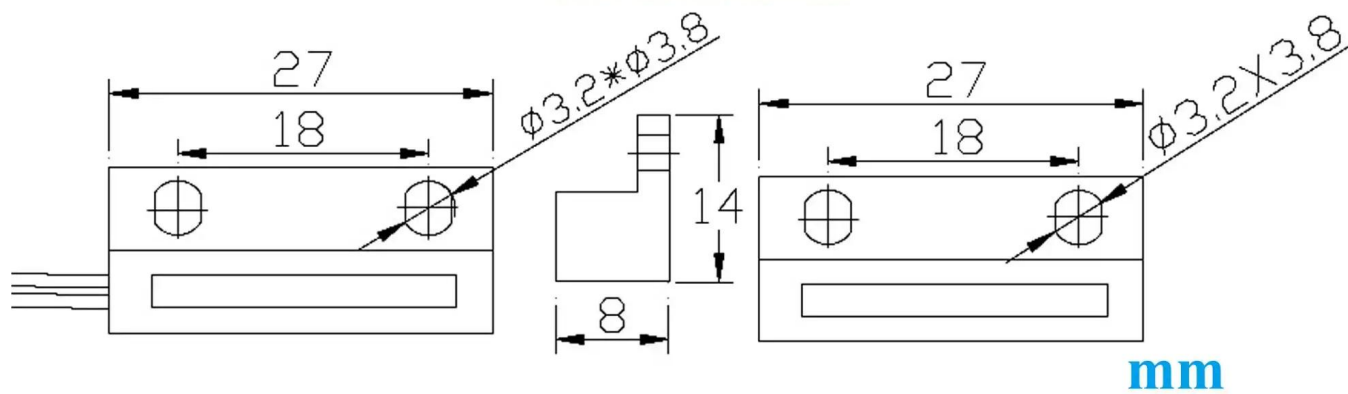

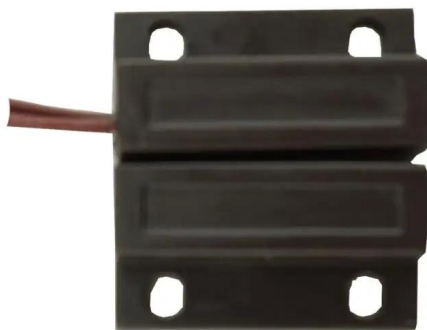

|                   |                          |
|-------------------|--------------------------|
| <b>Garantiya:</b> | 2 taon na warranty       |
| <b>OEM:</b>       | Maligayang pagdating OEM |

## IPAKITA ANG EB-133'S FEATURE

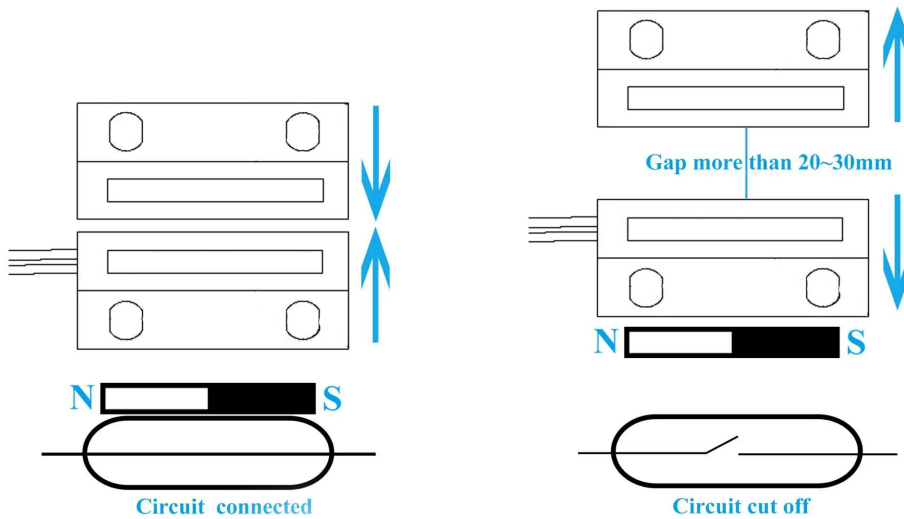

# 2 Color optional

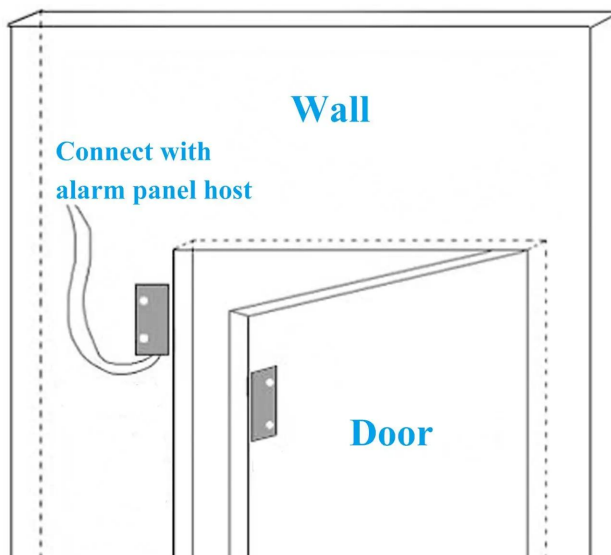

## Size

## NC mode working principle

## Installation

## Packaging

20 pairs per bag

## PAANO TUNGKOL SA IBANG PILIPINAS?
