

# Access control power supply

AC 220V input ,DC 12V 3A output  
Pure black color,Double face PC Board,  
pure copper transformer,steel shell.

## • Parameter

**SMQT®**

| Parameter               |                                                                                    |
|-------------------------|------------------------------------------------------------------------------------|
| Product name            | Black metal box Concise Switch Power supply for access control system              |
| Model                   | EA-37A                                                                             |
| Dimension               | 210×166×70(mm)                                                                     |
| Input voltage           | AC220V                                                                             |
| Input frequency         | 50Hz                                                                               |
| Output voltage          | 12V DC                                                                             |
| Output Current          | 3A                                                                                 |
| Output contact          | 12v/GND/PUSH/NO/GND/NC/+PHSH/CONTROL                                               |
| Protection              | Built-in output short-circuit protection<br>Anti-interference                      |
| Time relay              | 0~15 seconds                                                                       |
| Special design          | Pure black color<br>Double face PC Board<br>Pure copper Transformer<br>Metal shell |
| Color                   | Black                                                                              |
| Suit for                | Access control system and doorphone system                                         |
| Environment temperature | -20 °C~61 °C                                                                       |
| Net weight              | 1.25kg                                                                             |
| Optionals               | Remote control                                                                     |

## • Introduction

**SMQT®**

## • Feature

SMQT

*Access control uninterruptible switch power supply*

*AC 220V input voltage*

*DC 12V,3A output*

*0~15s time delay(adjustable)*

*Pure black color,double face PC board,*

*pure copper transformer*

*Remote control function is optional*

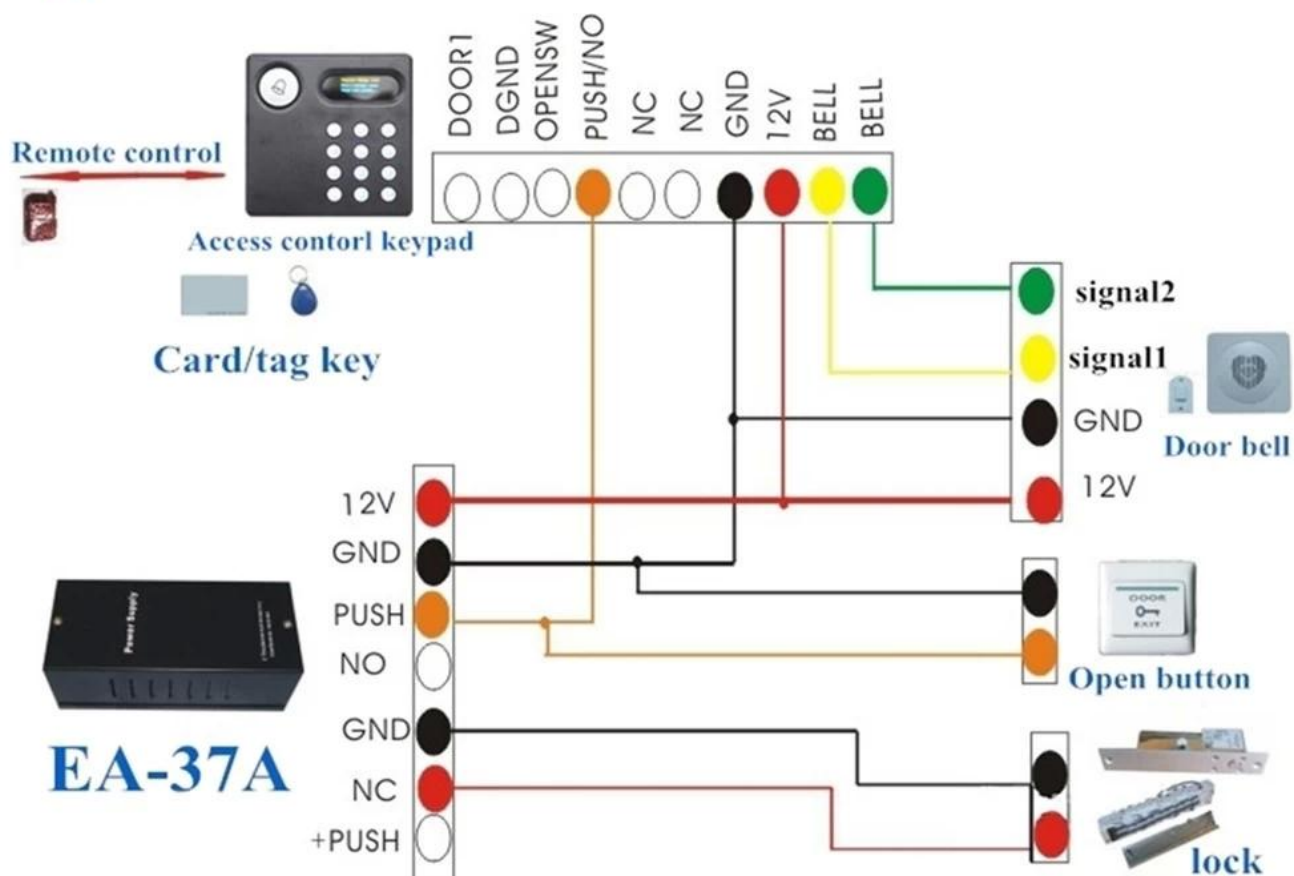

*Suitable for access control system,*

*door phone system*

*Two years warranty welcome OEM*

## • Application

SMQT

## • Packaging & shipping

SMQT

| Packaging list |                   |
|----------------|-------------------|
| Product name   | EA-37A            |
| Qty            | 20 pcs per carton |
| Carton size    | 45*32*32(cm)      |
| Weight         | 15kg              |
