Size

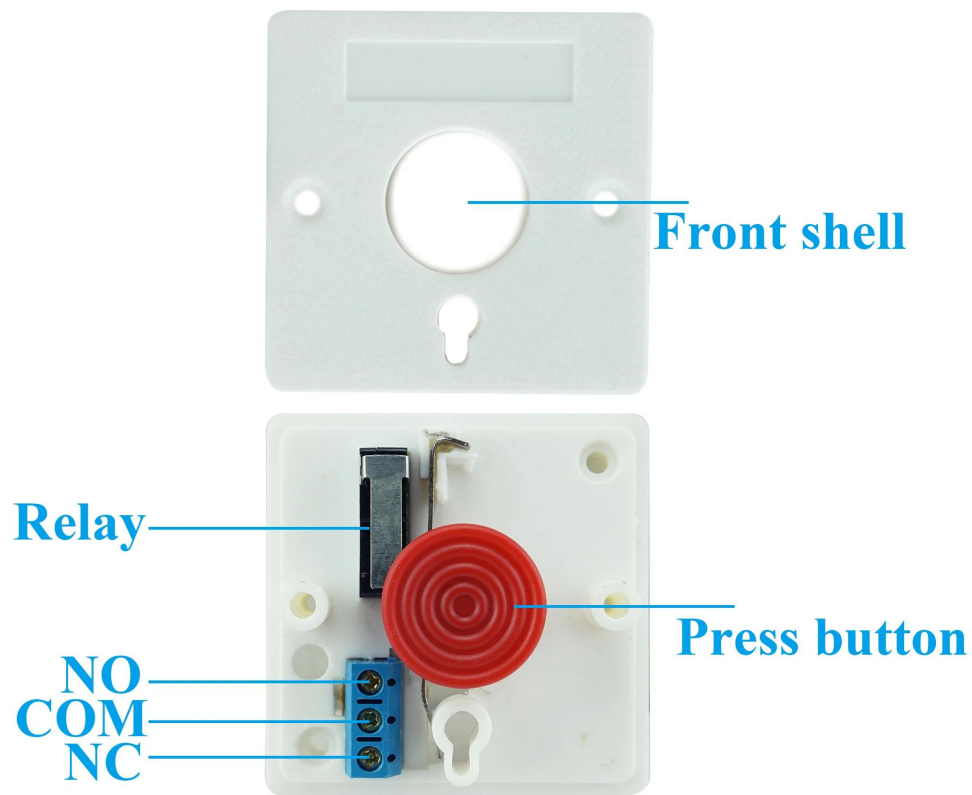

Apperance

EB-127s'S MAIN PARAMETER

Product Name:	Plastic key reset emergency button with NC/NO/COM output port
Model number:	EB-127
Rated current:	0.3A
Working humidity:	≤95%
Wire port:	3 port(NO/NC/COM)
Life time:	>10000 times
Reset way:	Key reset
Size:	54mm×54mm×27mm
Application:	Alarm system emergency button
Suitable for:	Alarm system
Material:	ABS housing+ PCB board+Alloy key
Weight:	40g
Packaging:	Netural paper box and paper carton 1 pcs per box,300 boxes per carton
Working environment temperature:	-20℃~70℃
Warranty:	1 years warranty
OEM:	Welcome OEM

Specification

Packaging

Natural paper box
